

AMENDMENTS TO THE SPECIFICATION:

Replace the 'Background of the Invention' section with the following:

"The invention relates to a method of servicing the outer components of a wind turbine such as the wind turbine blades and the tower with a work platform and a work platform ~~according to the preamble of claim 10.~~"

Insert the following title before the third paragraph on page 2:

"BRIEF SUMMARY OF THE INVENTION".

Replace paragraphs 3-5 on page 2 as follows:

~~"One of the objects of t~~The invention ~~is to establish~~es a method and system for wind turbines without the above-mentioned disadvantage.

~~It is an object of t~~The invention ~~to create~~s a method and system which allow one or more workers to be positioned at any adjacent position outside the wind turbine such as near one of the wind turbine blades without involving heavy equipment on the ground.

Further, ~~it is an object of the invention to create~~s a method and system which allow safe and stable conditions for the workers."

Delete the subtitle after the fifth paragraph on page 2.

Please delete pages 32 –33 in their entirety.
